These guidelines are for programs that base eligibility on the Federal Poverty Level.

The poverty guidelines continue to be derived from the Census Bureau's current official poverty thresholds; they are not derived from the Census Bureau's Supplemental Poverty Measure (SPM).

The following guideline figures represent annual income.

Income eligibility does not guarantee assistance. All applications are subject to program guidelines, funding availability, and verification requirements.

For families/households with more than 8 persons, add \$5,680 for each additional person.
